Vocational skills are taught in all secondary schools, not even to mention our twenty-plus vocational technical schools, the nearest for our students being at Ozark, with every high school graduate in Arkansas living in driving or commuting distance of a vocational Tech school offering typing, bull dozer operations, horticulture, etc.

Speaking of graduates, above, Mountainburg High School graduates forty-six splendid young men and women on Wednesday night, after their beautiful Baccalaureate Services on Sunday night, 7:00 p.m. May 14.

Mrs. Linda Morris played the Processional, with Donnie Thomas giving the Invocation.

The senior class sang "Their song", introducing the good message by Bob Parks.

Charlotte Morgan gave the Benediction. Christi Trouche' and Keith Voeller were escorts, while Sany Carlson, Carla Creekmore, Lori Hensen, Lauri Rupp, Greg Dawson, William Dollard, Ty Rowley, and Tony Rupp ushered.

On Wednesday night, May 19th, Mrs. Morris, the processional as our fine class marched in from the Agri. building, where they had dressed, taking their seats with Rickey Shaum wording the Invocation.
